With nature bursting into life and the weather growing warmer, spring is the perfect time to travel. Mild temperatures, fewer crowds than summer, blooming flowers, and Easter festivities are all part of the experience at Villa le Barone, an elegant patrician villa.

Pool, Tennis & Wellness

You will be warmly welcomed by Stefania, Sara or Lucia, while Francesca will delight you with a refreshing welcome drink.

Learn About Our Services

Spring is truly enchanting at Villa le Barone: trees and flowers bloom throughout our gardens, birds such as blackbirds build their nests, and their songs fill the air.

Explore the Gardens

Tulips and hyacinths light up our flower garden, and in your room you will find a bouquet of fresh flowers lovingly prepared by Amira.
Honeymooners will fall in love with our heart-shaped box garden.

Book a Romantic Stay

Villa le Barone is an outdoor lover's paradise, offering enchanting walks and bike rides (including electric bikes) starting directly from our gate, with breathtaking views of the Chianti hills, charming hamlets and ancient churches. We also feature a tennis court and a heated infinity pool.

Experiences & Activities

Sports and relaxation are perfectly complemented by authentic Tuscan cuisine prepared by our chef Davide Broggioni. A reminder that Italian cuisine is officially recognized as UNESCO Intangible Cultural Heritage.
