Something beautiful is unfolding at Villa le Barone.

Introducing Villa Conca d'Oro
our new private retreat

This summer, we are thrilled to unveil five exquisitely restored rooms, nestled in a historic Tuscan house just steps from the main villa. Designed with the same timeless elegance as the historic rooms, this new residence offers a private garden, beautiful views over the Chianti hills, a panoramic terrace for sunset aperitifs and welcoming common areas for families, friends or small gatherings.

Our new property is also available for intimate company retreats, family celebrations and small groups looking for privacy while enjoying all the services of Villa le Barone. A calm environment where people can work, celebrate and reconnect.

As our guest, you will enjoy complete access to all the facilities of Villa le Barone: the infinity saltwater pool, the tennis court, the rose gardens and our Tuscan restaurant.

The real luxury: time and space

Perched at 500m altitude, 38km from both the piazza del Campo in Siena and the Duomo in Florence, Villa le Barone benefits from a fresh hilltop breeze and continues to be a secluded retreat where the only noise is birdsong and the clink of a wine glass at sunset.

Discover Chianti beyond the guidebooks

Some of the most memorable places in Tuscany are the ones you won't find in standard travel guides. Just beyond the well-trodden paths lie hidden artistic gems quiet Romanesque churches holding centuries of history. Tucked away in small villages or along winding country roads, these sacred spaces offer a rare atmosphere of genuine silence and reflection, untouched by large tourist crowds.

You don't have to travel far to experience this. The Romanesque Pieve di San Leolino is just a three-minute walk from Villa le Barone. It is home to stunning 15th-century paintings and masterfully crafted tabernacles by Andrea della Robbia.

We invite you to step outside, explore at your own pace, and discover the quiet soul of Chianti.

Markets, wine and everyday Tuscany

The weekly markets in Greve in Chianti and Panzano offer fresh local products: typical cheeses, Tuscan cured meats, freshly baked bread, seasonal vegetables, and local wine. Strolling among the stalls is an authentic experience that allows you to observe the daily life of the inhabitants, chat with the producers, and perhaps taste some specialties on the spot.

Walk, cycle or simply enjoy the landscape and local traditions

Whether you enjoy gentle walks through vineyards, cycling across rolling hills or discovering local wine estates, our team is always happy to suggest routes and experiences adapted to your interests. Summer and autumn are filled with wonderful local events, from the Palio di Siena to the wine festivals of Greve and Panzano. They are excellent occasions to experience the region as locals do.
