Celebrate autumn in Tuscany, local wine festivals, and our newly refurbished Deluxe Conca d'Oro rooms

Wine is woven into the soul of Tuscan culture, and autumn is the most captivating season to experience it. As the hills turn golden and red, Chianti comes alive with harvest traditions and vibrant celebrations.

Blessed with its unique terroir, Chianti offers Chianti Classico: a wine that embodies harmony, elegance, and centuries of artisan passion. Each glass tells the story of our land.

Taste Chiant Classico

September is the month for Chianti's finest celebrations, just on our doorstep: Enjoy the lively September Wine Festivals in Greve in Chianti (September 10–13th) and Vino al Vino in Panzano (September 17–20th). You will certainly like the horn blowing by our world-famous butcher, Dario Cecchini!
