Tuscan culinary delights

Savor world-renowned Chianti wines and traditional Tuscan cuisine prepared by our Chef, served al fresco on our lush terrace or within our elegantly decorated restaurant. Italian cuisine is celebrated worldwide for its simplicity, freshness, and unmistakable flavors. The foundation of Tuscan cuisine, olive oil, fresh vegetables, and pasta, traces back to ancient Etruscan and Roman cultures. The Mediterranean diet of Tuscany is further enriched with herbs like rosemary and sage, while many dishes are inspired by the "waste not" philosophy, turning humble ingredients into culinary masterpieces.

Travel with Peace of Mind

For our friends in the United States and Canada, we want to ensure your journey to us is as seamless as your stay. Italy remains a peaceful haven in Western Europe, easily accessible via direct, secure flight paths from major North American hubs (Delta, United, American, and ITA) that travel strictly across the North Atlantic.
At Villa Le Barone, the only "noise" you'll encounter is the rustle of the vineyards and the celebratory clink of a glass at sunset.
